Letter of Appreciation

I am happy to know that Legal Aid Clinic of Dayanand College of Law has been actively engaged in sensitization and awareness programs. During the COVID pandemic of 20-21, the clinic has organized online webinars on various social issues like gender sensitivity, emotional intelligence, environmental issues, mediation, professional ethics etc for the awareness of the students.

The Legal Aid Clinic conducts consulting services, awareness camps, literacy programs in villages, seminars and participates actively in the various activities of District Legal Services.

I hereby congratulate Dr. Shubhangi Panchal and Adv. R. R. Shetty for conducting and co-ordinating such activities with involvement of students.

We look forward for your future co-operation in conducting legal literacy programmes and active involvement of students in reaching out to the society for needy people.

Thanking you,

Your's faithfully
