

## Dayanand Education Society's

### Dayanand College of Law, Latur

Conscientiousness of overall planning, development and maintenance of infrastructural facilities including computing equipments, etc are rest with the College Development Committee. Necessary funds are allocated for required purposes in the annual budget and accordingly spent throughout the year.

1. **Maintenance of Campus** – Security persons are deployed for maintaining security at the college premises, a night watchman is appointed on the regular basis. A team of sweepers has been appointed on contract basis to clean up and sanitize the entire premises, including Principal chamber, administrative block, washrooms, toilets and passages. Regularly drinking water mechanism i.e. RO Plant and water tanks are checked and maintained to provide hygienic water to the faculty and students. Sufficient number of fire extinguisher and even manual sand buckets are deployed at identified places.
2. **Library** – A well equipped, furnished and naturally aerated, ventilated with sufficient electrical lights are made available. Library is secured with sufficient number of CCTVs for surveillance. Library Attendant maintains the library. Library is regularly cleaned by sweepers. Verification of library is conducted annually. A necessary care and caution is taken to avoid fire or leakages from any side of the library, manually chemical sprayer is made to avoid insecticide or damage to the books and journals. The scrap is also regularly weeded out. Library fees are spent on books, journals and welfare measures for students in the library. Percentage of missing books is very meager.
3. **Sports Facilities** – The College has a well qualified sports director, recruited to pursue sports activities in the college. There is indoor and outdoor stadium provided with: Indoor Stadium consist of 4 Badminton Court, 1 Table Tennis Court and all the facilities for Athletes even a separate gymnasium for faculty and students is made available. Outdoor Stadium consist of newly constructed cricket stadium of national level is made available and other play grounds such as Basketball, Volleyball, Kabaddi, Kho-Kho, Lawn Tennis Court etc. are also made available. Practice and warm up sessions are taken regularly. Badminton practices are conducted on regular basis at badminton court. Dead Stock Verification of Sports equipments are undertaken every year.
4. **Maintenance of Computer Equipments** - Computers and Printers are regularly maintained and kept updated through AMC. Cartridges are regularly refilled. Computers, printers, scanners are frequently examined through the AMC i.e. Ramdev Computers, Latur. Xerox machines are regularly maintained.
5. **Classrooms** - Optimum use of classrooms are done as per the time-table framed by the professor co-ordinator. Lectures and practical's, including mooted exercises are done regularly and monitored by IQAC headed by Principal of the College. On regular basis washing and cleaning of all facilities are undertaken by peons and sweepers. Sanitary materials are regularly provided to sweepers. Smart class rooms are maintained regularly.
