It gives me great pleasure to present the Prospectus for the Academic Year 2026–2027 and to share the achievements that reflect our institution's commitment to excellence in legal education, research, and holistic student development.

This year has been particularly rewarding as our students secured 7 University Merit Ranks in the Summer 2025 Examination, reaffirming our strong academic tradition. They also brought pride to the institution by winning numerous prizes at the Youth Festival, demonstrating excellence beyond the classroom.

Our Women's Study Centre successfully organized a National Seminar on Mental Wellness, which witnessed enthusiastic participation from scholars and researchers across disciplines. More than 50 research papers were presented and published in a peer-reviewed journal, contributing to meaningful academic dialogue on mental well-being.

We are equally proud of our achievements in the Avishkar Research Competition 2026, where our students secured 1st, 2nd, and 3rd positions at the district level, followed by the 1st Rank in the Law Category at the university level, and represented the university at the State Level.

The successful organization of a National Level Moot Court Competition and the introduction of four interdisciplinary certificate courses further strengthened our efforts to provide students with practical exposure, research opportunities, and multidisciplinary learning.

These accomplishments are a testament to the dedication of our students, faculty, management, alumni, and well-wishers. As we move forward, we remain committed to nurturing competent professionals, responsible citizens, and lifelong learners who can contribute meaningfully to society.

I extend my heartfelt congratulations to all our achievers and best wishes to every student for a bright and successful future.
